

# General and Adolescent Paediatric Research in the UK and Ireland: Study Proposal

Once complete, please return to chair of RSC via e-mail at: [gaprurisc@gmail.com](mailto:gaprurisc@gmail.com)

| 1. Title of project |  |
|---------------------|--|
|                     |  |

| 2. Lead Applicant's details |  |
|-----------------------------|--|
| <b>Name</b>                 |  |
| <b>Position held:</b>       |  |
| <b>Institution:</b>         |  |
| <b>Email:</b>               |  |

| 3. Who else has helped develop or will support this project? What are the strengths of this team? |
|---|
|   |

| 4. Why is this study important and how does it addresses GAPRUKI research priorities ( <i>insert link to GAPRUKI priorities here</i> ) |
|--|
|  |

| 5. Please describe how this study would make use of the GAPRUKI network. How many centres are proposed to be involved? Will any new centres be invited to join? |
|---|
|   |

| 6. Brief summary of proposed study   |
|--|
| <b>Background</b> ( <i>including what is novel about the study and any pilot work undertaken</i> ) |
|  |
| <b>Specific Research Question(s) in PICO format</b>  |
|  |

|  |
|--|
| <b>Study design</b>  |
| <b>Study population (including inclusion and exclusion criteria and sample size calculation if relevant)</b> |
| <b>Methods (including description of any intervention, any laboratory methods)</b>                           |
| <b>Data management and analysis</b>  |
| <b>Resources and estimated funding required</b>  |

|   |
|---|
| <b>7. Please describe the Patient and Public Involvement to date, their feedback and if you require help with PPI</b> |
|   |

|   |
|---|
| <b>8. Please describe Ethical issues anticipated. Please include date and title of any applications and feedback from Local Research and Ethics Committees (LREC) and Research and Development Departments. These documents should be included in the appendices.</b> |
|   |

|  |                                      |
|--|--------------------------------------|
| <b>9. Proposed starting date (MM/YYYY)</b> | <b>Proposed duration (in months)</b> |
|  |                                      |

|  |
|--|
| <b>10. Has funding been secured? If so please state source and amount. If not, please describe any funding application plans or state why not needed</b> |
|  |

|   |
|---|
| <b>11. Have you contacted an NIHR network about this project?</b> |
|   |

**12. Are you aware of any other current or planned studies in the UK addressing this area of research? If so, how will you address any overlap or competition for recruitment?**

**13. Please list the specific issues on which you would like feedback from GAPRUKI members for this study proposal**

### **Appendices**

Please list any supporting documents here
